

## **CME INFORMATION**

### ***ADVANCED-REVASCLARIZATION CHAPTER ~ XIV (ARCH 2021)***

**St. Louis, Missouri | April 14 – 17, 2021**

#### **TARGET AUDIENCE**

This symposium has been designed to meet the educational needs of Interventional and General Cardiologists, Electrophysiologist, Internists, Cardiothoracic Surgeons, General Surgeons, Primary Care Physicians, and Neurologists plus Nurses, Nurse Practitioners, Residents, Fellows and Ancillary staff.

#### **EDUCATIONAL GOAL**

The purpose of this educational activity is to provide participants with knowledge of strategies for managing cardiovascular diseases.

#### **LEARNING OBJECTIVES**

- Explain the impact of COVID-19 on interventional cardiology and ways to navigate evolving patient care
- Identify the role of adjunctive imaging and physiology for diagnosis and management of complex cardiovascular disease
- Describe the optimal patient selection and treatment timing for using a catheter ablation procedure to treat atrial fibrillation or ventricular tachycardia
- Discuss interventional approaches to end stage heart failure patients
- Discuss the relative role of trans-catheter and surgical therapies for advanced structural heart disease, both valvular and non-valvular and atrial fibrillation

#### **ACCREDITATION**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of *CMEsolutions* and Gaffney Events. The *CMEsolutions* is accredited by the ACCME to provide continuing medical education for physicians.

The *CMEsolutions* designates this live activity for a maximum of 32.5 *AMA PRA Category 1 Credits*.™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component and 75% passing on MOC test, enables the participant to earn up to 32.5 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

#### **FEES**

Registration fees are explained on the symposium website.

## **PARTICIPATION REQUIREMENTS**
