

CME INFORMATION
ADVANCED REVASCULARIZATION-CHAPTER XVI (ARCH 2023)
THERAPEUTICS
St. Louis, MO
April 12-15, 2023

Target Audience

ARCH 2023 has been designed to meet the educational needs of Interventional and General Cardiologists, Internists, Cardiothoracic Surgeons, General Surgeons, Primary Care Physicians, and Neurologists plus Nurses, Nurse Practitioners, Residents, Fellows and Ancillary staff.

Educational Goal

The purpose of this educational activity is to provide participants with evidence-based data, newer technological advances, case-based discussions, and therapeutic strategies that will enable physicians to treat their patients with high-risk and complex coronary, peripheral vascular and structural anatomy.

Learning Objectives

- Explain ways that new technologies and ideas may overcome current challenges to treating patients with atrial fibrillation or ventricular tachycardia safely and successfully.
- Explain practical techniques relating to highly stenosed lesions and the use of percutaneous left ventricular assist devices (LVAD).
- Discuss the indications, benefits and relative risk of radial artery based coronary interventions.
- Discuss the relative role of trans-catheter and surgical therapies for advanced structural heart disease, both valvular and non-valvular and atrial fibrillation.
- Identify the role of adjunctive imaging and physiology for diagnosis and management of complex cardiovascular disease.

Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of *CMEsolutions* and Gaffney Events. The *CMEsolutions* is accredited by the ACCME to provide continuing medical education for physicians.

The *CMEsolutions* designates this live activity for a maximum of 22.75 *AMA PRA Category 1 Credits*.™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

FEES

There are fees for participating in this activity.

PARTICIPATION REQUIREMENTS

1. Read CME Information
2. Attend Sessions- credit given commensurate with attendance
3. Logon to the following URL: <https://online-med-edu.com/arch2023/>
4. Complete evaluation, credit request form, and download or print credit statement

FACULTY AND DISCLOSURES

CMEsolutions requires everyone in a position to control the content of this activity to disclose any relevant financial conflict of interest they may have as related to the content of this activity. All identified conflicts of interest are thoroughly vetted by *CMEsolutions* for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis for content, and appropriateness of patient care recommendations. *CMEsolutions* has mitigated all conflicts of interest prior to this educational activity.
